

Additional AAX features

```
graph RL; A[Offline processing interface] --> B[Additional AAX features];
```

A diagram consisting of two rectangular boxes. The box on the left is white with a black border and contains the text 'Additional AAX features'. The box on the right is gray with a black border and contains the text 'Offline processing interface'. A black arrow points from the right side of the gray box to the left side of the white box.
