

Parameter updates

```
graph LR; A[Basic parameter update sequences] --> B[Parameter updates]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'Parameter updates'. The box on the right is gray with a black border and contains the text 'Basic parameter update sequences'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a flow or relationship from the sequences to the updates.
