

AAX_IPageTable

```
graph BT; AAX_VPageTable --> AAX_IPageTable
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a white box labeled 'AAX_VPageTable'. A blue arrow points vertically upwards from this box to a gray box at the top labeled 'AAX_IPageTable'. This indicates that 'AAX_VPageTable' inherits from 'AAX_IPageTable'.
