

AAX_IController

```
graph BT; AAX_VController[AAX_VController] --> AAX_IController[AAX_IController];
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a black border containing the text 'AAX_IController'. Below it is a gray rectangular box with a black border containing the text 'AAX_VController'. A blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that AAX_VController inherits from or implements AAX_IController.
