

Additional AAX features

EQ and Dynamics Curve
Displays

```
graph LR; A[EQ and Dynamics Curve Displays] --> B[Additional AAX features]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the right is gray and contains the text 'EQ and Dynamics Curve Displays'. The box on the left is white with a black border and contains the text 'Additional AAX features'. A black arrow points from the right box to the left box, indicating a relationship or flow from the displays to the features.
