

AAX_ITransport

```
classDiagram
    AAX_VTransport --|> AAX_ITransport
```

The diagram illustrates a class hierarchy. At the bottom is a white box labeled 'AAX_VTransport'. A blue arrow points upwards from this box to a gray box labeled 'AAX_ITransport' at the top. This indicates that 'AAX_VTransport' inherits from 'AAX_ITransport'.
